Gallery Information

Art Rays is a German gallery which was founded in the 1990's. It is located in two cities-Germany's financial center Frankfurt/Main and in the cultural city of Bielefeld. Art Rays forms a bridge between Germany and China and aims at participating in a cultural and artistic exchange. Up to now, Art Rays has taken part in several art fairs and events in China, like the Guangzhou international Art Fair, the Shanghai Art Fair or the Art Shanghai. Art Rays is unique in its extensive experience with art fairs and art trade between the two countries. This is why Art Rays enjoys an excellent reputation in the art circles and the art audience of both Germany and China.
